Planned Program of Graduate Study

The graduate planned program of study (GPPS) is an important document representing an official agreement between the student and the university, with the academic advisor. The GPPS lists the courses and other requirements that must be completed prior to program completion or graduation. The GPPS is not official until your academic signs and approve it and it is processed by the Registrar's office; it must be submitted before the completion of 15 course credits. (An earlier submission is recommended.) The official copy is retained in the student's university academic record. The GPPS must be revised for submission if changes are made and approved by the advisor.

Name:	Student ID#:
Phone #:	Degree: MS
CCSU Email:	Major: Data Science with Computational Track
	Academic Advisor:

CCSU Courses* (Required Courses)	Transfer Course/ Univ. Where Taken	Credit Value	Semester Taken	Year Taken	Grade Received
DATA 511 Introduction to Data Science		4			
DATA 512 Predictive Analytics: Estimation and Clustering		4			
DATA 513 Predictive Analytics: Classification		4			
DATA 514 Multivariate Statistics		4			
Specialization Courses					
CS 508 Distributed Computing		3			
CS 570 Topics in Artificial Intelligence		3			
CS 580 Topics in Database Systems & Applications		3			
		3			
Capstone Requirement					
DATA 599 Special Project (Plan C)		3			
Credit Total		31	**Cannot exceed 6 years for MS**		

Notes from academic advisor on pre-requisites, course additions, time extensions, or other.
